

Appreciation Award

Congratulations to Don Beltz!
Our first ever Appreciation Award was bestowed upon Don Beltz at our Annual Dinner & Auction in recognition of his contributions to the Village throughout the years.

Don has donated the Christmas Tree, bought a memorial bench and brick, sponsored a yearly breakfast buffet and has made numerous donations, all in memory of his beloved wife, Marian Beltz.

In the past, Don and Marian together contributed to the Front Door Fund. In addition to Don's many monetary contributions to the Village are his generous donations of his time, energy and expertise through service on the Resident Council, the Food Service Committee and as a Resident Ambassador.

Finally, Don may have missed his calling as a mailman. In rain or snow or sleet or hail, Don always sees to it that the residents of the villas and homes receive their newsletters, flyers and anything else we may throw his way.

Congratulations Don!

Thank you for your enduring support and dedication to the Village!!

It is our intent to recognize a resident every year at our Annual Dinner & Auction.
