What is Assisted Living?

Weston Terrace Assisted Living is a special combination of housing, personalized supportive services and health care designed to respond to the individual needs of those who need help with the Activities of Daily Living (ADLs) but do not need the skilled medical care provided in a nursing home. *Weston's* care promotes maximum independence and dignity for each resident and encourages the involvement of a resident's family, neighbors and friends. Weston Terrace Assisted Living offers the lifestyle and quality of care all residents deserve.

Who Lives at Weston Terrace?

Weston Terrace is appropriate for someone who needs some level of assistance with everyday activities, such as meals, medication management, transportation and bathing.

Residents can transition from independent living to Weston Terrace and enjoy an improved quality of life with independence and care combined.

Is Weston Terrace regulated?

Weston Terrace is licensed and regulated by the state of Illinois. Illinois requires an annual inspection. Weston Terrace's state inspection is available upon request at the front desk.

Weston Terrace is committed to excellence and ongoing resident satisfaction!
